Larry Scanlan	MK						168.00	175.01	343.01	343.01	0.86	

Saturday was 93 degrees with both East and West Winds. Curiosity was satified as one shooter chose to put a sighter shot through a dust devil crossing the range at 500 yards, scoring a miss. Sunday was cooler at 80 degrees with Easterly winds with wind pick ups and letoffs totaling more than 5 minutes of angle.
