DNF = Did not fire this match.

Saturday was 62 degrees with a East wind of 2.4 to 11.5 MPH with pick-ups and letoffs very normal for Wendover.

Robert Griess, Chris Martinez, Ronald Eaton, George Dewey, Ray Crawford did not turn in their score cards. Score cards serve as backup to our electronic system. Many other shooters did not name their files, but I figured out scores based on time, target number and relay number. Others named their files well, just as I requested during the last classroom session.

Be sure to turn in scorecards! Every shooter will always get a match report, and can get special screen prints of their target if requested. Just email Larry at LarryScanlan@msn.com.
