Brad Kalmar	EX						191.03	191.02	194.05	576.10	576.10	88.6%	

Wendover was 96 degrees Saturday and Sunday with strong wind at times in between calm periods with little if any wind. Best scores were from those who carefully watched the flags. Congratulations to Steve Jennings for High Aggregate in F-Open.
Thanks to all for the great attendance this year !

Match Director
Larry Scanlan

Match Rifle Class	%

Marksman (MM)	<91.49
Master Unclassified (MU)	-

DNF = Did not fire this match. Did not attend today, a scope mount problem, or some other problem on the range.
NRA F-Class Rules, revised February 2025. 120 Record shots are required by NRA for classification.
Non NRA members are assigned a speciel membership number for classification tracking purposes.
Classification scores or reclassificatoin scores are based on the latest 120 shots fired.
Reclassification to a lower classification must be made in writing to NRA based upon the last 180 shots fired in competition.
NRA F-Class Prone Classification Rules, Sections 19.4. See See also https://competitions,nra.org/competition-resouurces/rule-books.
